As an inventor named in the above-identified application, I hereby declare that on September 2, 2003, the date that I executed the Declaration for Utility Patent Application (37 C.F.R. 1.63) for U.S. Patent Application Serial No. 10/671,809, I made the following alterations to the Declaration for Utility Patent Application (37 C.F.R. 1.63):

1. I crossed-out "Savage, Minnesota" in the space provided for the Residence, and hand wrote "Lakeville, MN" therein.
2. I crossed-out "14643 Yosemite" in the space provided for the Mailing Address, and hand wrote "21812 Wagon Wheel Trail" therein.
3. I crossed-out "Savage, Minnesota 55378, USA" in the space provided for City, State, Country, and hand wrote "Lakeville, MN, 55044, USA" therein.

I declare that my residence, post office address, and citizenship are as stated in the Declaration for Utility Patent Application (37 C.F.R. 1.63) filed on September 26, 2003, including my hand-written alterations.

I believe I am an original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention originally entitled "TRANSDUCING HEAD DESIGN WITH LOW ERASURE FIELD", the specification of which was filed on September 26, 2003 as United States Application Number 10/671,809.

I hereby state that I have reviewed and understand the contents of the above identified specification.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 C.F.R. 1.56.

I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statement were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
